Ben Radant

Cicero Christian Church is pleased to announce the launch of our newest "kindness in progress" servant evangelism program: a **COMMUNITY GARDEN** to reach, teach and serve our community with free produce. As far as we have been able to determine, there is nothing of this kind in our county or surrounding areas.

We are blessed to have the green space for this program right along the walking path on Stringtown Pike. Our goal is to make the produce from the garden available to our community, ministries and congregation for free – yes, *something for nothing*.

Our garden is currently being planned and will be maintained by our church volunteers, with a strip garden of 2000 square feet, ½ acre of sweet corn, more than a dozen fruit trees, and plenty of room for expansion. Additional distribution goals include supplementing monthly Angel Food Ministries orders, supporting our weekly Soup, Salad and Scripture class, Wednesday Family Night meals, and Crosslight Christian School children in our in-house preschool, daycare and kindergarten ministries. We are developing a teaching program with this garden to show those interested not only how to garden, but how to can/freeze, compost, and prepare for the next growing season. We are installing an irrigation system from our on-site pond to provide free water to our garden.

***We are seeking donations or discounts on goods and services, or monetary gifts.***

The idea for this garden came after the annual budgeting process, and it must be supported solely through donations. Cicero Christian Church is a 501(c)3 incorporated religious organization; an independent church established in 1837 in Cicero, Indiana. We would be happy to recognize your contribution on signage at the garden and on our church's website, as well as provide documentation of your donation for tax purposes. We have a wonderful team of volunteers, and are seeking God's blessing on this project. You may see details about the project, including an aerial layout and list of plants, by visiting our website at [CiceroChristianChurch.org](http://CiceroChristianChurch.org) or [ReachTeachServe.org](http://ReachTeachServe.org).

We appreciate your consideration of support of this new ministry. We invite you to stop by this summer to "taste and see that the Lord is good" (Psalm 34:8)!

A list of items requested for the *Reach Teach Serve Community Garden* follows.

*Ask the Lord for rain in the springtime; it is the Lord who makes the storm clouds.  
He gives showers of rain to men, and plants of the field to everyone. ~ Zechariah 10:1*
