Doug Wiggers
Adult Discipleship Minister
Dr. Steven Hancock
Youth & Family Minister
Chad Allen
Children's Minister
Ben Radant

Cicero Christian Church is pleased to share one of our "kindness in progress" programs: the **Reach Teach Serve Community Garden**. This is a unique garden in our county: the produce from the garden is available to our community for free – yes, *something for nothing*.

Our project was launched in 2009 with 2000 square feet of strip gardens, ½ acre of sweet corn, and plenty of room for expansion. At the end of the season 13 fruit trees in four varieties were planted, and an additional 500 square feet was tilled up for strip gardening. We installed an irrigation system from our on-site pond to provide free water to our garden. The *reach teach serve community garden* is planned and maintained by our church volunteers. We invite people to come and pick what they will eat fresh. Additional distribution goals include supplementing monthly Angel Food Ministries orders, supporting our weekly Soup, Salad and Scripture class, Wednesday Family Night meals, and Crosslight Christian School children in our in-house preschool, daycare and kindergarten, and eventually free weekly meals for our community.

We are seeking donations or discounts on goods and services, or monetary gifts.

This garden is supported solely through donations. Cicero Christian Church is a 501(c)3 incorporated religious organization; an independent church established in 1837 in Cicero, Indiana. We would be happy to recognize your contribution on our church's website, in our church bulletin, and can provide documentation of your donation for tax purposes. We have a wonderful team of volunteers, and are seeking God's blessing on this project. You may see details about the project, including an aerial layout and list of plants, by visiting our website at CiceroChristianChurch.org or ReachTeachServe.org.

We appreciate your consideration of support of this new ministry. We invite you to stop by this summer to "taste and see that the Lord is good" (Psalm 34:8)!

In addition to financial gifts, specific items we are seeking this season as donations include: soil improvement (lime, sand, peat moss and delivery), soaker hoses, fence posts, nylon twine, potting soil, tomato cages, materials for reusable plant identification signs, Preen weed control, MiracleGro LiquaFeed Refills, and starts for asparagus, strawberries, blueberries and herbs.

Thank you for considering this project, and spread the word!

Beth Roberts

*Ask the Lord for rain in the springtime; it is the Lord who makes the storm clouds.
He gives showers of rain to men, and plants of the field to everyone. ~ Zechariah 10:1*
