IN GOD WE STILL TRUST

selected quotes from our founding fathers

" [Americans] . . . can make sure the United States will remain a force for good, the champion of peace and freedom, as their parents and grandparents before them have done. And if we . . .dedicate our country to truth, to love, and to God, we will be a part of something much stronger and much more enduring than any negative power here on Earth. That's why this weekend is a celebration and why there is hope for us all. . . as morning spreads around the planet, we'll celebrate the triumph of life over death, the Resurrection of Jesus.
